Company Overview

HULK is a dynamic, Tacoma-based construction company specializing in demolition, excavation and remodeling services. As stewards of our community, we take building and repairing our buildings and roadways seriously and understand the importance of a job well done.

Arlington youth center 2020 fencing and acoustical ceilings Mt. Sanai

With significant planning and project management experience, our team has in excess of 25 years of construction and large capital project expertise. We are proud of the relationships we have cultivated with our partners and clients as we continue to grow through a lean operation that is customer centric.
